

Make Cards for Students & Teachers

Action Day would not be possible without volunteers like you! Help students & teachers start the year off right by writing them an encouraging card for their first day of school! Cards will be distributed to local nonprofits during our Action Day 2021 this August.

To Volunteer At Home,
email VolunteerUnited@gtcuw.org
for drop-off instructions!

Here are some tips to making great cards:

- Anyone can design and make an encouragement card.
- Use cardstock if possible. Keep cards to a maximum folded size of 5-1/2" by 8"
- Keep messages positive and upbeat!
- Are you a Spanish speaker? Cards in Spanish are also welcome.
- Original art is encouraged! Markers, crayons, colored pencils, paint, ink stamps – any medium works. No stickers, please. They tend to curl up and fall off the cards.
- An envelope for each card is nice to have, but not a necessity.
- You may create as few or as many cards as you like.
