

## Assemble Hygiene Packs

Thank you for volunteering your time to make hygiene packs! Each Hygiene Pack donated will be added to a **Welcome Home kit** and distributed to our community this November through United Way's Home for Good initiative.

### Hygiene Pack Items

- Bars of Soap (can find in a 3 pack)
- Deodorant (3 oz, gender neutral)
- Nail Clipper
- Shampoo (12.5 oz) - for variety of hair types
- 1 Conditioner (12.5 oz) - for variety of hair types
- Place items into a gallon Ziploc bag

### Instructions

1. Choose how many packs to assemble
2. Purchase supplies for your packs
3. Assemble your packs by placing all items into the correct type of bag listed
4. Contact [VolunteerUnited@gtcuw.org](mailto:VolunteerUnited@gtcuw.org) for drop-off location instructions

Approximately 1,400 households in the greater Twin Cities transition from homelessness to stable housing each year yet lack essential household items for a safe, stable home.

United Way's Home for Good initiative provides **Welcome Home kits** full of essential supplies to support families and individuals transitioning into a new home. We need volunteers and supporters like you to help achieve this goal and support local families.
