THANK YOU FOR YOUR SUPPORT!

The racial justice awakening and the ongoing effects of COVID-19 have challenged our collective beliefs and moved us to take bold action.

Every moment as a changemaker matters. When we unite as changemakers, we can fuel lasting change, unlock human potential and transform our community into a place where all people thrive regardless of income, race or place.

OUR COLLECTIVE CHANGEMAKER MOMENTS

You made it possible to touch the lives of 500,000 people in 2021. Together, we:

Supported 480,000 requests via our 211 resource helpline from mothers seeking child care options, families looking for assistance in putting healthy food on the table, young adults needing a place to stay, and more.

Addressed student learning and community food system needs exacerbated by COVID-19 and awarded grants to 126 nonprofits to provide our neighbors better access to housing, food, education and the workforce.

Provided safety plans for 9,000 people who called the Suicide Prevention Lifeline — letting them know they are not alone and offering hope for a better tomorrow.
Join the Changemaker Movement

No matter what shape it takes — donor, volunteer, advocate — your role as a changemaker is crucial to our work. We need your help to create a community where all people thrive regardless of income, race or place.
